

Mission News @Cornerstone

FEBRUARY 2020

El Salvador Child Development Centre

At our Christmas Mission offering, we as a church easily exceed our goal of \$9,200 to launch a Child Development Centre with Compassion, with nearly \$15,000 raised. Thank you! We are discussing with Compassion some options of how the additional funds can be best used. The Mission committee is thrilled to see how the church has responded so significantly to this project in El Salvador.

Once again, here's how we see this progressing:

PHASE 1 Raise the money for the launch (DONE!)

PHASE 2 Sponsor children from that Centre (2020)

PHASE 3 Visit the Centre with a team from Cornerstone (2021)

Stay tuned for future updates.

Pray for Cornerstone's Costa Rica Vision Trip

Back in the Fall we announced a planned vision trip to Costa Rica that garnered a lot of interest from people in the church. The team from our church has been finalized and includes: Gordon Dickinson, Beth & Darryl Constable, Cindy Dockendorff, and Darren Walsh.

This will be a ground-breaking trip for us and for Canadian Baptist Ministries... we are the first team trip ever being sent to Costa Rica! Pray for us as we travel March 3-10, 2020. We will be meeting CBM field staff David and Suzannah Nacho who serve in the area of leadership formation and theological education in Latin America, making a local, regional and global impact through CETI (Center for Interdisciplinary Theological Studies). This vision trip will assess the opportunities for future partnership with the Nachos; we're excited for what God may have in store for the Nachos, the leaders they train for Latin America, and for us at Cornerstone.

Team members have already received some financial support from the church through our mission funds. If you would like to further support an individual or the team in general with raising the remaining funds, you can visit Canadian Baptist Ministries' "Give to Go" website: www.givetogo.org/team/cornerstonevisiontrip

We would appreciate your prayers and support. We'll be sharing about what we discover when we return!
